- b) The Bidder should have at least one Office and Service Centre in Kolkata to administer, supervise and maintain the system to be installed.
- c) The Bidder should have experience in successful implementation of at least two similar nature of works in Public Sector Units or in organizations having manned with at least 100 employees having Bio-Metric Attendance System.
- d) The Bidder should be capable of supplying the Hardware and Software for the Attendance System.

B. System Requirement:-

- a) Single Terminal is required for recording of Arrival and Departure time of employees.
- b) The Terminals should be capable of operating on Fingerprint Reading without any access Card. However, there should have provision for Face Recognition without Fingerprint reading for employees with dry fingers.
- c) Embedded single Software window for controlling/ managing/ updating the whole Attendance System and Report Generation on daily, weekly, monthly & yearly basis with output in MS Excel, MS Access and PDF Format capable of being handled through standard PC.
- d) There should have provision for future addition of Terminals.
- e) The same Reader should be capable of being used for enrolment as well as authentication of employees based on Fingerprint and Face Recognition.
- f) Reports should be generated on real time without any time lag and no separate migrating interface should be required to export data from the embedded Software in the reader to the Software generating the Reports.
- g) The System should be Web-Based and on Windows Platform with facilities of viewing live data, editing and generating Reports.
- h) Wifi facilities will be provided by the Head Office/ICMARD or respective Branches for online MIS Reports or monitoring Admin tools.
- i) The Reports generated from the System should be accessible over Internet and organization-wide LAN with different User-Level permissions provided by the Authority of the Bank.
- j) The System should have Leave Format based on the standard templates of the Authority of the Bank with proper approval levels.
- k) The System should be capable of handling **minimum 100 and maximum of 200 employees** without changing and up-gradation of the Software or the basic Hardware only by adding Reader Terminals.
- l) The System should have power Backup of approx. 45 Minutes, Operating System Backup and Database Backup.
- m) Following Reports in specific Formats are required. This is an indicative list and modifications will have to be done within the same cost:
 - Professional Reports for in/out time for all, individual and group level on a particular time and period.
 - Late Report with an option of informing the individual, Departments in a Standard Format over mail, SMS and hard copy print out.
 - The whole day's Report should be mailed to the Authorized Person defined by the Authority of the Bank over mail at next working day.
 - Generation of employee Time Sheet and Leave Register.
 - Summary Report should be visible in system (employees in office / employees left for the days, employees on Leave etc.) live at any point of time through a Standardized Menu-driven Interface.

C. Responsibilities of the contractor/vendor:-

- Supplying and installation of all the Hardware and embedded Software required to establish the system as described under Point "B" above.
- The vendor should arrange a demonstration and a professional training on the whole system to the selected employees of the Bank.
- The System should be updated with the latest employee details to be provided by the Bank and the corresponding finger scanned through the system by the vendor. After demonstration and training, the vendor should handover the system to the authority of the Bank with Hardware and Software details, as well as license documents (wherever applicable) of the Software, Hardware and Training Manuals. After handing over, the Vendor should provide Hardware and Software support of the system for a period of **24 months** starting from the date of successful installation of the system.

D. Payment milestone:-

- The supplier shall raise the Invoice/Bill after successful supply, installation, demonstration of the System.
- 95%** payment will be released within 30 days after successful installation, demonstration and handing over of the system. **5%** of the amount of the Bill will be deducted and kept as Security Deposit. Security Deposit will not accrue any interest.
- Security Deposit** will be released after completion of the **12 months** on satisfactory performance of the service support as and when required.
- GST and any other Statutory Tax/Cess/Levy shall be deducted at source as per Rules prevalent at the time of payment and will be deposited with the quarter concerned.

E. Bid package:-

- Bid is to be submitted in two parts in separate sealed envelopes; one for "**Technical Bid**" marked as "Technical proposal for supply, installation, demonstration and maintenance of Bio-Metric Attendance System at different Units of The WBSCARD Bank Ltd.", another for "**Financial Bid**" marked as "Financial proposal for supply, installation, demonstration and maintenance of Bio-Metric Attendance System at different Units of The WBSCARD Bank Ltd.". Both the sealed envelopes should be submitted in a single sealed envelope marked as "Proposal for supply, installation, demonstration and maintenance of Bio-Metric Attendance System at different Units of The WBSCARD Bank Ltd.".
- The Technical proposal should have a statement describing the understanding of the Bidder of the work, covering in details of the manpower strength, minimum **3 years** experience in similar projects, Hardware and Software proposed and the proposed methodology of implementation. The credentials of the Bidder showing proof of qualification should be annexed to the Technical Proposal.
- In the Financial Proposal, the Bidder should quote rate inclusive of all cost of Software, Hardware, installation, implementation, development, Data Entry, support and any other cost that the Bidder proposes in lump sum amount in INR inclusive of all taxes and levies on letter head of the bidding organization and signed by an authorized official of the organization clearly showing his/her name, designation and office address. This Financial Bid should be valid for the entire contract period.
- Each page and all documents should be signed and stamped by the Bidder.
- An Indian Manufacturer with Service Centre set up in Kolkata will be preferred.

F. General Terms & Conditions

- a) The Quotation must be valid for a period of at least **6 [Six] months** from the last date of submission.
- b) All costs/charges must be quantified and spelt out in clear terms. The quoted rates of all items should be inclusive of all labour, material, incidental/transportation charges and taxes (percentage and amount) should be mentioned clearly.
- c) Quantity of items/ equipments may be increased or decreased depending upon the decision of the Bank Authority.
- d) **Backup** should be kept at least for **3 (three) months**.
- e) During evaluation of the Quotation, the Bank may, at its discretion, ask the Bidder for clarification of Bids. The request for clarification and the response may be in writing or verbal, as the case may be. If during execution of the work, any new item/accessory is required for proper functioning of the system, such items shall be considered incidental to the work and no payment will be made to the executing agency for such item.
- f) Total cost of the Bid will be the deciding factor while deciding the Bid in favour or against any Bidder. Incomplete Bid will be liable to be rejected.
- g) The right to reject the lowest or all the Quotations without assigning any reason thereof is kept reserved by the competent authority of the Bank.
- h) The Bidder shall append a **Certificate** with the Bid that the Bidder has not been debarred/ blacklisted for any reason/period by any Central/State Govt. Dept/University/PSU etc. If so, particulars of the same may be furnished. Concealment of facts shall lead to cancellation of the order.
- i) Installation of the entire System shall be the responsibility of the Bidder. Damage to equipments or any other loss due to accident etc. during transit shall be the responsibility of the Supplier/Bidder. Bidder should use existing network infrastructure of Computer (if desired so) of the Bank for effective resource utilization. Prospective Bidders/Agencies must visit the location/site for getting detailed positions and location and for proper understanding of other scope of works before submitting the Quotation.
- j) The Bank authority reserves the right to accept or reject any or all the Bids or negotiate on any of the tender specification/items/conditions and to annul the Bidding process and reject all the Bids at any time prior to placement of Order without assigning any reason thereto and without any obligation to inform the affected Bidders.
- k) The Bidder must append the following documents with the Bid:-
 - a. Copy of PAN.
 - b. Copies of GST Registration Number along with GST Registration Certificate.
 - c. Balance Sheet for last three consecutive Financial Year.
- l) The Bidder will provide **01(one) year On-Site Warranty** on all equipments established and **Service Centers** in Kolkata for providing after sales service support for another 2 years on AMC basis failing which Bid would be liable to be rejected.
- m) The period of supply and installation of the equipment will be specified in **Work-Order** in terms of number of days. If delay is caused in any circumstances beyond the control of the successful Bidder, the successful Bidder may request the Bank for extension of date /time which may or may not be granted. The Bank authority may impose a **penalty @1% per day** subject to a maximum of **5%** in all of the cost of the Bid for the delay.
- n) Rates & Specification of make/brand for all the items must be quoted/ mentioned in proper column of Annexure-I (i.e. Schedule/Scope of Work) which shall be duly signed & stamped. **Evaluation will be done on the basis of Grand Total Price.**
